

The Retired United Pilots Association was organized in October 1963 by several pioneer UAL pilots who wanted an opportunity to keep in touch with old friends *and* get better acquainted with other past UAL pilots.

Primarily a social and recreational organization, we encourage and promote the camaraderie we enjoyed while flying the line, through local lunches, picnics, BBQs, cruises, conventions, and other get-togethers.

Our members live just about everywhere in the USA, and even in some foreign countries.
